## Summer Reading Assignment 2020 - 2021

Read The Chocolate Touch by Patrick Skene Catling. There is no written assignment to complete over the summer; however, you will be doing several activities the first week of school with the book. Be prepared to discuss the book and complete the activities. There will be a quiz the first week of school.

*Copies of the book are available through the St. Ignatius School library if needed.*

In addition, Mrs. Berger & Mrs. Neustadter encourage you to read every day over the summer. You will be discussing your favorite books, authors, and subjects to read together in class. Read a variety of books and authors to see what interests you the most. The more you read, the more you succeed!

“Reading helps develop the mind and imagination and the creative side of a person. It helps to improve (vocabulary and spelling) communication both written and spoken. It plays an important part in building a good self-image. It is a function that is necessary in today's society.”
