Mission Statement of St. Ignatius Loyola School

The Administration, Faculty and Staff of St. Ignatius Loyola School follow the mission to teach as Jesus did.

Students grow in their knowledge and love of God based on the Gospels and teachings of the Catholic Church. Opportunities are provided to increase the appreciation for self and respect for the whole personhood of each individual and development of gifts and talents.

Philosophy of St. Ignatius Loyola School

The administration, faculty, and staff of St. Ignatius Loyola School strive to develop a learning environment in which students grow in knowledge, increase in the appreciation of self, and respect in the uniqueness of the individual. A diverse atmosphere allows the student to be better able to meet the challenges of the world. Our Christian-centered program is designed to give the “whole child” the opportunity to flourish and to contribute to the quality of life.

The religious purpose of St. Ignatius Loyola School enables the students to expand their love of God based on the Gospels and teachings of the Catholic Church. Values and morals are taught and modeled in accordance with Catholic doctrine. Community service projects help the students put religious knowledge into practice.

A well-rounded curriculum provides the opportunities for spiritual, moral, intellectual, cultural, social, and physical development. Many experiences are provided for students which will enhance social maturity and growth through interaction with peers, school personnel, and community.

The bond which exists among teachers is both spiritual and professional, and is fundamental in providing the students with a Christian role model. Mutual purpose and respect is the link between parents and teachers as we strive to enhance the educational process and cooperative spirit of learning necessary for students to develop to his/her potential.
In order for growth to take place, one must examine and discuss the values resulting from change. Teachers are evaluated on both a formal and informal basis. Students are also evaluated formally and informally through a variety of methods. Each teacher maintains his/her classroom in a manner representative of Catholic education. Classroom teaching consists of a combination of large and small group instruction, project sharing, and evaluation. Based on teacher observation, students receive individual assistance as needed and in many cases, challenge material for enrichment.

The instructional program includes all basic expectations of the Commonwealth of Pennsylvania and the Diocese of Allentown. All textbooks are reviewed and selected from a list provided by the Diocesan Office.

Leadership in our school encompasses the pastor, the principal, and the faculty. Guidelines are provided by the Diocese of Allentown, Department of Education. Within our school, policy that is developed and formulated through consultation with our principal, pastor, and faculty is effectively implemented.

I. ADMISSION POLICY

Due to the increased interest of parents in the religious and academic programs of St. Ignatius Loyola School, the following admission guidelines have been adopted and are in effect. Enrollment status will only be valid upon receipt of registration forms and fees.

1. Current students: students in good standing, who are presently enrolled in our school in grades Kindergarten through Seventh; parishioners, non-parishioners, and non-Catholics, will be guaranteed re-enrollment status upon receipt of re-registration forms and fees by the due date. All tuition from the previous school year must be paid in full.

2. New students: Acceptance into the general PreKindergarten and Kindergarten program will be based on chronological age and the policy below (this does not guarantee in which session a student will be placed):
   A. Siblings of students who are presently enrolled in our school, grades Kindergarten through Eighth, and whose parents are active members and financially support St. Ignatius Loyola Parish or St. Francis de Sales Parish in Robesonia.
   B. New Kindergarten students, including those who attended our preschool, whose parents financially support the parish of St. Ignatius Loyola or St. Francis de Sales.
   C. Siblings of students who are presently enrolled in our school who are non-parishioners of St. Ignatius Loyola or St. Francis de Sales.
   D. Children whose parents are non-parishioners of St. Ignatius Loyola or St. Francis de Sales Parish will be placed on a waiting list.
   E. Children whose parents are non-Catholic will be placed on a waiting list.

3. Transfer students: New students in grades One through Eight will be accepted on space availability, satisfactory educational and health records, and receipt of all forms and fees.

ALL NEW STUDENTS TO OUR SCHOOL WILL BE PLACED ON A WAITING LIST UNTIL CLASSES CAN BE EVALUATED.

TENTATIVE PRESCHOOL AND KINDERGARTEN CLASS LISTS SHOULD BE ESTABLISHED BY APRIL 15TH.

-Non-Catholic Students

In imitation of the Lord Jesus who welcomed the children, St. Ignatius Loyola School welcomes all children, Catholic and non-Catholic. The Catholic school has much to offer academically, spiritually, and morally. We believe that non-Catholic children can, in turn, enrich the school by their presence, interest, participation and by sharing with the school community their own religious traditions.

Religious Classes and Liturgical Functions – It is necessary that parents realize and accept the school’s policy that religion classes and liturgical functions are part of the school program and are an integral part of the school curriculum.

Responsibilities of the Non-Catholic Student –

1. General Attitude – The child should understand, respect and be willing to actively support the philosophy and goals of the school, a community within the Catholic Church.

2. Attendance of Religion Classes – The child must be willing to attend religion classes since these classes are an essential part of the school’s curriculum. Participation in these classes can be an ecumenical experience helping him/her to understand and respect the beliefs of others and to come to a better understanding and appreciation of his/her personal beliefs.

II. ABSENCE

-Daily Notification

When a child remains at home due to illness, it is necessary that the parent of the child notify the school office by 8:15 AM. Notification by the child’s brother or sister is not acceptable. Direct communication with parents is specifically intended for the child’s protection. An answering machine is available for you to call at a convenient time before 7:30 a.m.
-Written Excuses
The day a child returns to school, complete the absence form issued by the school office. Forms can be found on our website and additional forms are available in the office. Any notes not written on the school absence form will be returned for proper completion. The child is to give this form to the teacher.

-Doctors Notes
A doctor’s excuse must accompany the absentee note in the following situations, whether the child is absent only one day or more than one day:

Communicable Diseases - Measles, Whooping Cough, Respiratory streptococcal infections, Scarlet fever, Strep throat, Mumps, Impetigo, Pinkeye, Ringworm, Scabies, Mononucleosis

-Lateness
When a child is late, their parent must accompany their child to the school office. The parent must sign-in for the child. Please note that lateness will exclude a student from Perfect Attendance at the end of the school year. If a student has 3 unexcused latenesses, it will result in detention. An excused lateness includes physician or dental appointments. Exceptions are given to late busses.

-Appointments
When a child has a doctor or dentist appointment during the day, please follow this procedure:

1. send a note to the homeroom teacher
2. come into the office to sign the child out of class
3. on returning, come into the school office with the child to sign them into school

If a child will be arriving late in the morning due to an above-mentioned appointment, please notify the school office the previous day, during the evening (please leave a message) or call the office by 8:15 AM.

-Emergency Situations

If an emergency arises and a child must be out of school for a few days - a special form must be obtained from the office. Assignments missed by the child must be completed when the child returns to school. FAMILY VACATIONS DO NOT CONSTITUTE AN EMERGENCY ABSENCE.

-Illness
If your child is not feeling well in the morning, DO NOT SEND your child to school. A child must remain fever-free (100˚ or higher) free for 24 hours prior to returning to school. Vomiting, fever, and upset stomachs will not suddenly go away once your child enters the building. A sick child in school becomes more accessible to other illnesses.

III. BOOK CARE

-Covering of Books
All textbooks are to be covered. A laminated book cover or Book Sox may be used for hard backed texts. Workbooks are to be covered with clear contact paper. This will help in prolonging the life of the book.

-Book Bags
All books are to be carried in some type of book bag to and from school.

-Lost Books
When a book is lost or damaged it is the responsibility of the student to pay for the lost or damaged book. After receipt of this payment another book will be issued for the child’s use for the remainder of the year.

IV. BUSING

-School Districts
The following school districts provide transportation to and from our school: Wilson, ELCO, Wyomissing, Conrad Weiser, Governor Mifflin, Muhlenberg, Schuylkill Valley, Fleetwood, Tulpehocken, Reading, Cocalico. -Rules and Regulations
Any violation of these rules will result in a phone call to parents and a detention. In severe cases, students will be suspended from the bus.

The primary goal of the Public School Transportation Department is to provide safe, efficient transportation. The administration solicits your cooperation to help make this goal a reality.

Safety is everyone's business and the life of every student our most precious possession.

-While on the Bus
1. Keep hands and head inside the bus at all times.
2. Bus riders are not permitted to leave their seat while the bus is in motion.
3. Remember that loud talking and excessive noise creates unnecessary confusion which could divert the driver's attention and result in a serious accident.
4. Do not throw anything out of the bus window.
5. Absolute quiet must be maintained when approaching a railroad crossing stop and until the bus has completely crossed the tracks.
6. In case of a road emergency, students are to remain on the bus unless directed otherwise by the driver.

If your child goes by bus, please follow the delay start schedule for your school district:

Example: regular pick-up 7:20 AM, 1 hr. delay - 8:20 AM, 2 hr. delay - 9:20 AM

In the event of a two-hour delay for the school, the preschool and kindergarten will follow the MODIFIED schedule: Preschool AM session 10:15 - 11:45, PM session 12:30 - 2:15

Kindergarten AM session 10:00 - 2:30 (students will stay all day)

The radio announcement will say either 2 hour delay or 2 hour delay Modified Kindergarten & Preschool schedule. We will always use the modified schedule for a 2 hr delay.

Again, when a delay is announced for St. Ignatius School, follow your school district’s bus schedule. If for some reason St. Ignatius School is open but the child’s school district is closed, the child does not need to report to school. On the child’s return to school, an absence form listing LACK OF TRANSPORTATION is necessary. This absence will not be counted in regards to a child’s perfect attendance. In the event of an early dismissal due to weather, this will also be announced over the above radio stations. We would ask that you discuss with your child their transportation home from school in case of an early dismissal.

XXXI. **VOLUNTEERS**

The number of parent volunteers, who help us each day, blesses our school. Your cooperation is required in the following areas:

1. **Dress Code** – Please dress in a respectful and professional manner when helping our students. You serve as a special role model to them. Office casual dress would be considered appropriate and we ask that you refrain from wearing jeans.

2. Please sign-in at the office when you arrive. During your stay you are asked to display your visitor label, so you are readily identifiable to any one who sees you. Please complete your label with your first name and last name and the date. When you leave, please sign out in the office.

3. All volunteers must sign a copy of the Diocesan Code of Conduct and Child Abuse Policy, USIS/Child Find. These will be available in the school office. If you already signed one during the last year’s term, it is not necessary to do so again. Please check with administration, if you are unsure.

4. The Diocese of Allentown also requires all volunteers to attend a program entitled “Protecting God’s Children”. This program is **mandatory**. Dates and times will be announced.

5. Volunteers are limited to – two at a time, per classroom under normal situations; any changes with this number need to be approved by the administration.

XXXII. **WALK-A-THON**

Each October, our school participates in this annual fundraiser. The purpose of this fundraiser is twofold: first, to raise money for the operational budget of the school, thus keeping tuition increases to a minimum and secondly to foster a spirit of cooperation for Catholic Education within the community. Corporate sponsors are also a major part of this annual fundraiser. This financial assistance enables us to purchase items that are not part of the usual operational budget.

**St. Ignatius Loyola School**

**Emergency Crisis Plan**

In accordance with Diocesan directives and our own crisis management plan, we have established a contingency plan to deal with the recent increase in security levels mandated by our government. All doors will be locked at 7:55 A.M. Parents picking up or dropping off students after this time should ring the buzzer for access.

In the event of a crisis situation please follow the guidelines below.

1. **DO NOT** call the school. Please wait until information can be supplied to you via the radio, school phone chain, or school website (www.stignatiusreading.org). The reason for this request is to allow the phone lines to be open for any emergency instructions that might be relayed by local officials.

2. If officials authorize the transportation of students, an announcement will be made in regards to an early dismissal. Parents who wish to pick up their children may now notify the school office (610-678-0111). Students will be dismissed only to parents or their authorized representative. (A phone call by the parent to the office to indicate who will be picking up their child will be necessary.) If a phone call is not received, students will be sent home by their
normal mode of transportation, with the exception of walkers. (ex. If a student is normally a bus ride, and no call is received, they will be sent home by bus.) A walker MUST be picked up by a parent or authorized representative.

3. Parents picking up a child must first come to the main doors by the office to identify that they have arrived. Parents will not be allowed in these doors to prevent a breach in the airlock around the cafeteria; all students will be assembled in cafeteria as a safety measure. After notifying the office that you are here, your child will be taken down to the exit near the gym by a member of the emergency team so you may pick them up.

Should circumstances dictate, and we would remain here for an extended period of time, steps have been taken to ensure an adequate supply of food and water.

If your child is dependent upon any prescription medication, it would be wise to send a small supply to the school office. Students with asthma, who require an inhaler should have it with them at all times. Epi Pens can also be kept in the health room for an emergency.

Please be assured that we are taking all steps necessary to ensure the safety of our students.
